Unfounded publications

Willemstad/Philipsburg – The Centrale Bank van Curaçao en Sint Maarten (CBCS) has taken notice of publications in the local media suggesting that the RST (Recherche Samenwerkings Team) is investigating the CBCS' IT-Network in relation to the 'Saffier' investigation, and that this took place with the permission of the -judge. Furthermore, these publications also suggest that cameras were installed in and around the CBCS to obtain visual-footage.

The CBCS adamantly condemns these publications that are not based on the truth, and deeply regrets these unfounded insinuations.
